

Packing list - items sorted in bundles

Valid from 1.9.2024

Items of small and large format

The packaging list applies per order/delivery and includes mailings sorted into bundles with 2- and 4-digits in the postal code. When the number of bundles sorted by 2- or 4-digits amounts to half a pallet or 300 kg for postal code areas defined in the table below, these bundles must be packed onto pallets according to the same table.

The pallet division will apply to orders where the number of shipments in 2-digit bundles exceeds 10,000 items (with a weight of 200g per item).

Postal code areas for 2-digit bundles:	Postal code areas for 4-digit bundles:	Address to sorting centre
0000 - 3099, 3300 - 3699	0000 - 1299	0020 Oslo
3100 - 3299, 3700 - 3999, 4500 - 4699, 4800 - 4999	1300 - 3099, 3300 - 3699	0020 Oslo
4000 - 4499, 4700 - 4799	3100 - 3299, 3700 - 8299, 8600 - 8999	0020 Oslo
5000 - 5999	8300 - 8599, 9000 - 9999	0020 Oslo
6000 - 6999		0020 Oslo
7000 - 7999		0020 Oslo
8000 - 9999 + miscellaneous 00-99 and abroad		0020 Oslo

When the number of bundles sorted by 2- or 4-digits amounts to less than half a pallet or 300 kg for the above-mentioned postal code areas, the following classification applies for packing on pallets:

Postal code areas for 2-digit bundles:	Postal code areas for 4-digit bundles:	Address to sorting centre
0000 - 3099, 3300 - 3699	0000 - 1299	0020 Oslo
3100 - 3299, 3700 - 8299, 8600 - 8999	1300 - 9999	0020 Oslo
8300 - 8599, 9000 - 9999 + miscellaneous 00-99 and abroad		0020 Oslo

The bundles are distributed according to postal code areas as shown in the tables. The pallets are marked according to the information in the columns "Postcode areas" and "Address to terminal".

Marking of load carriers are available by contacting Bring customer service.

Marking and addressing of bundles must be in accordance to Posten Bring AS's conditions for packing and marking of bundles.

In addition, conditions for Mail items with identical format applies.
